## BioLargo, Inc CEO says its industrial odor control product is a commercial success

BioLargo, Inc (OTCQB:BLGO) CEO Dennis Calvert tells Proactive Investors the technology incubator and environmental engineering company is now enjoying its first big commercial success, with its industrial odor product, Odor-No-More. The product eliminates odor-causing compounds and VOCs and is attracting companies in the solid waste handling and wastewater industries.

Calvert says the direction of the company is both "purposeful" and "disruptive," and that it narrows the focus to things that are high impact, achievable and have a purpose. The company incubates disruptive technologies and has invested about US\$22mln, with a focus on clean water, clean air, and advanced wound care, says Calvert.
