Seeing Machines talk development strategy after successful capital raise

Seeing Machines Limited (LON:SEE) executives Ken Kroger and Paul McGlone talk to Proactive London from Canberra about the recent successful capital raise and where the company is heading now. Seeing Machines' technology tracks eye movements to make sure drivers are paying attention and is making successful forays into all transport sectors. Introducing new VP McGlone and detailing his radical measures to take the company forward, we hear how changes to the Guardian/Fleet is still a big part of the Seeing Machines story. News here too on progress in Aviation, particularly with RAAF and L3 as well as where the business is heading next.
