Corero Network Security reveals customer wins for its SmartWall DDoS protection product totalling US\$1.0mln

Corero Network Security PLC (LON:CNS), the network security company, has announced two new customer wins for its SmartWall DDoS (distributed denial of service) protection product, plus an additional purchase from an existing customer, totalling US\$1.0mln over the course of the contracts.

In a statement, the AIM-listed firm said one of the new customers is a US regional service provider of internet and telephony services to business and private customers, which has ordered multiple SmartWall 10Gbps solutions with a supporting one-year contract for SecureWatch services.
